

IN THE BUSINESS OF YOUR SUCCESSSM

{ My number is... 100 }

ADP[®] helps me add \$100K
to my bottom line...

So what's your number?
ADP can help add it all up for
you, with products and services
that go beyond payroll with
options designed for every
accounting practice.

Refer – If you currently process payroll for your clients, join with ADP and utilize our tools to be your back engine! You will continue to provide them with trusted advisory and consulting services while ADP expertly manages their payroll and more.

Process Your Clients' Payroll – RUN Powered by ADP Payroll for Accountants[®] is specifically designed to help accounting professionals more efficiently process their clients' payroll.

Sell – Put your payroll clients in experienced hands with ADP by selling your client base to ADP. You gain the opportunity to generate capital and free up time to focus on building your practice.

Earn Rewards or Share Revenue – ADP's Referral Rewards and Revenue Share Incentive programs offer you the chance to earn points towards valuable gifts or earn revenue for your firm, while providing value-added payroll, benefits and HR solutions to your clients.

ADP has a solution tailored for accounting professionals that can help.

Contact your ADP Representative for more details and to learn how ADP can help your practice.
