

NEW INCENTIVES FOR **REFERRING ACCOUNTANTS** – LEARN MORE TODAY

Attracting and retaining top employees is a key factor for the success of your business clients. As their trusted advisor, you play a critical role in offering them guidance that can help them staff the best team and ultimately, contribute to their success.

As an ADP® partner, you already know about the benefits of referring your clients to ADP for its Run Powered by ADP® payroll platform or by offering payroll directly to them with our Run Powered by ADP Payroll for Accountants® for their payroll processing and compliance needs.

Now, you can gain additional benefits by referring to your clients ADP's powerful retirement plans solutions.. Integrated with their payroll service, ADP's robust retirement plans are for organizations of all types and sizes. Moreover, ADP Retirement Services is the fastest growing recordkeeper according to Pension and Investments 2011 Defined Contribution Survey.

ADP is offering attractive incentive programs to accountants who refer their clients to ADP Retirement Plan solutions. These new incentive programs recognize your valuable contribution in informing your clients about attractive employment packages that can help them succeed and give them a competitive edge.
