

The pandemic showed us the  
'future of work'. Now together  
we must define it.

Join us in person at **ADP ReThink 2022**

**ADP ReThink**  
April 27-29, 2022  
Miami, Florida

Immerse yourself in creative conversations, explore new ideas, broaden your mind, share your thinking, and meet your new network — together we grow stronger.

# Goodbye virtual. Hello live!

Put down your headset, turn off your camera, pack a bag and tell your colleagues you're off to rethink the new world of work

**The pandemic tested us all to adapt at speed, it showed us how we will work in the future and it challenged us to reconsider how we want to connect and share our thoughts and experiences with each other.**

So, if you've been longing to break free from virtual meetings and get back out into the real world to meet with your peers — leaders, change agents and thinkers in global payroll, HR, finance and IT — the time is coming. ReThink is back to an in-person event in 2022, but not as you've known it.

ReThink 2022 breaks with tradition to deliver an unforgettable opportunity to help you build the future world of work for your multinational business. At ReThink 2022 we will be breaking habits, ranks and new ground.

## 1. Breaking habits

Who wants to cast off their headset only to find themselves back in a windowless conference where you watch from the side-lines? ReThink 2022 breaks with yesterday's conventional traditions and sets the scene for a fully immersive experience. Take part in designing new ways of working to help your business emerge from the challenges of the pandemic and grow stronger. Look forward to informal settings where you will:

- Participate in candid conversations about recent challenges and learn from your peers' experiences
- Reflect on the importance of pay and redefine the role of payroll as we know it
- Absorb expert tips and insights that will fuel your business' wider digital transformation
- Emerge re-energized from the spectacular surroundings, equipped with new professional networks

This hasn't just been an event where you go along for the ride, this is fully immersive, strategy challenging, directed and focussed learning for all.

## 2. Breaking rank

Forget the typical delegate experience where you're surrounded by unfamiliar faces and little opportunity to introduce yourself. At ADP ReThink 2022 you will be a member of a community of like-minded senior-level global leaders, industry experts and renowned thinkers.

As we transition into a new year, smaller groups and larger spaces will not only accommodate distance concerns, but encourage payroll, HR, finance and IT leaders to come together to modernize and shape payroll's influence in strategic thinking. You'll enjoy plenty of opportunities to make connections through:

- Topic-led discussion groups
- Practical workshops
- Informal break-out sessions
- Intimate dining groups
